

Hello Fellow Dancers!

Since Alan & I commenced Monday night group dance classes at Cornwall St almost 10 years ago we have enjoyed your company, friendship & support, as much as we have enjoyed all aspects of teaching sequence dancing.

As many regular supporters know we will be stepping back from some of our dance commitments to deal with current health issues, therefore, it is with deep regret we advise Monday night classes will not resume in 2022.

We would just like to say a heartfelt thanks to all dancers past and present, who have been part of our dance journey with the Monday night group. We trust you will “keep on dancing” & enjoying the experience. An **extra big thanks** to everyone who extended a helping hand, at any point, either to us or to someone less experienced - it was greatly appreciated. We will miss you and the friendly supportive atmosphere of the group.

Alan & I remain strongly committed to teaching the basics of good sequence dancing to instil confidence on the floor. We will continue to offer affordable private lessons at our Richlands studio, where you'll learn about figures, alignments, gentleman's lead, body shaping, use of heels and toes.

We are experienced, confident teachers who can guarantee our demonstrations are correct to script.

So please contact us or pass on our details if you know someone who may be interested.

We wish you & yours a “Happy & Healthy 2022”
Alan & Lynelle
